Courtney displayed the revised character area map and the committee suggested that some changes be made to the map. The map will be revised based on the suggestions.

The committee did a line by line review of the draft of the character area descriptions that was prepared by EPG. Courtney made extensive notes and asked that in instances where any committee member who wanted to make any further changes should email their suggestions to her and she would prepare a consolidated rewrite of the descriptions for the committee to review by the next meeting.

There was no public comment. The next meeting will be held on September 1, 2016 at the Senior Center at 6:00 PM. The meeting was adjourned at 8:10 PM.
